A deposit per camper is required in order to secure each booking (CHF 1'000/ EUR 800). Upon completing the online registration form you will be directed to our secure payment page. This payment can be made by Visa or Mastercard. We do not accept American Express payments. Should you wish to make the deposit payment by bank transfer please contact our office for our detailed bank information. You may also find this information on our website at: www.villagecamps.com/parents.

Final payment of camp fees including any extra services must be received by May 1st. Bookings received after this date must be accompanied by the full payment.

IMPORTANT – CANCELTION INSURANCE

We strongly recommend that parents should purchase cancellation insurance in their home country through locally based specialist insurance providers. The relevant cancellation insurance should cover both air bookings and the selected Village Camps package.

Note: It may be advisable to check whether appropriate cancellation insurance is included in the standard cover provided by the terms of any Credit Card that you hold.

PARENT LOGIN

When you register a booking for a Village Camp programme, a personal "online parent account" is created automatically to help you to manage your bookings. We will email you immediately to confirm receipt of your booking and provide you with information on how to log in.

Once logged in you will see a list of the children and the programmes that you have registered. You will also have direct access to your invoice and information on how to make future payments by credit card.

IMPORTANT: A health and travel form must be completed for each child using your online 'Parent Login'. This form is vital to ensure a safe and secure stay at camp and must be submitted before May 1st or, in the case of making a booking after this date, at least four weeks before the start of the camp.

OPTIONAL EXTRAS

ACCIDENT AND ILLNESS INSURANCE - CHF 140 / EUR 130 per child per 2-week session

Village Camps offers a combined accident and illness insurance policy through a reputable Swiss specialist company, AVI Insurance. The detailed provisions of the cover are available on request but in any event will be confirmed to you once booked. As a guide the policy provides comprehensive cover against accident and illness related medical expenses, However the cover excludes circumstances where the illness was present before the start of the programme and where the accident is a new case.

HEALTH PRECAUTIONS INFORMATION

Village Camps is dedicated to providing a safe environment for your children. Planning for a Summer season, where a pandemic may be prevalent, will of course include extra precautions in order to minimize the risk of an outbreak in the camp environment. As a Swiss-based company, we will be closely updating policies in accordance with the required standards put in place by the relevant official Swiss government organization, the Service de Protection de la Jeunesse (SPJ). These standards will not only apply in Switzerland but also to our locations in Austria and Portugal where any additional guidance will also be implemented.

Guidance and/or directions from SP may vary according to circumstances current at the time. However, here are some current or recent examples:

- Disinfectant dispensers will be provided around the different locations with individual hand and surface sanitizers distributed regularly throughout the stay at camp.
- Strict camper hygiene measures including the regular cleaning of hands, monitoring of any sneezing/coughing events with reasonable supervision by on-site staff who will seek to inform and educate campers on hygiene matters.
- Strict cleaning protocols will be followed several times a day by housekeeping staff as well as Village Camp counsellor staff.
- Meal times and meal service will follow the appropriate regulations.
- Before arrival all campers and staff must fill out our updated Health Form confirming good health and informing us of any underlying health issues as well as any previous corona virus results.
- Upon arrival all campers and staff temperatures will be checked (along with parents if accompanying them for check-in).
- Our on-site staff nurse(s) will be available 24 hours a day to check temperatures or assess symptoms.
- Where possible we will maintain appropriate social distancing protocols. In addition, in planning each camp our normal numbers have been reduced for sharing rooms, sitting for meals and for our activity programmes. We have also improved our student-staff ratios.
- Additional rooms have been made available for isolation of campers or staff members, in a suspected case of infection.

If further or updated information is required please contact Service de Protection de la Jeunesse (SPJ).
